**Officials training at these Championships
has been grant funded by England Athletics**

PRESIDENTS WELCOME

The Kent County Athletic Association is pleased to welcome you to Medway Park for the Kent Track and Field Championships 2022.

I would like to sincerely thank all the technical and administrative officials and volunteers who have worked tirelessly behind the scenes in organising the weekend ahead. Quite simply, without this work, there would be no competition for athletes to take part in.

If there are any spectators on the day thinking I'd like to be more involved, I plead you to talk to your clubs or speak to officials and volunteers around at the weekend. We are always in need of more officials and volunteers to result in smooth running competitions throughout the season.

I took part in my first Kent County Championships 25 years ago and quite out the blue a friend recently sent me my performances, and although I couldn't remember the times and distances, frankly, I remember the weekend like it was yesterday.....it rained.....a lot!

No matter where you are in your athletics journey, I hope you have an enjoyable, successful and memorable weekend of competition.

Claire Capon

President 2022

KCAA president Kent County Athletics Association

Thanks

On behalf of KCAA I would like to acknowledge the support from England Athletics in providing a grant towards improving competition experience for athletes & officials at championships. Equally thanks goes to the Track & Field Committee (remember all of whom are volunteers) took on the big task of making today work. Thanks also to all Technical Officials & other volunteers who enable these championships to take place by giving up their time, skills & effort. We also acknowledge the time and effort spent by JustTiming and Track Staff who make such a valuable contribution to the smooth running of these Championships.

WARM UP ARRANGEMENTS

THERE WILL BE NO INDOOR WARM UP AREA AVAILABLE AT MEDWAY PARK

- **Athletes can use the back straight to warm-up**
- **During distances races athletes warming up should only be in lanes 7 & 8 to respect the competitors**
- **No warm-up on back straight during races involving lanes**
- **Athletes should not wear headphones on the track as they will need to be aware of the events going on and be able to hear any instructions from officials.**

GENERAL INFORMATION ATHLETE REGISTRATION

Athletes must register & collect their numbers from the registration desk down the path to the right of the stadium not more than 1.5 hours before, but by at least 1 hour before the start (or warm up) time for your events. For the Track & Field you must then report to the start area at least 15 minutes before your event, or warm up time. If appropriate finals will be run at heats or second round time. If you wish to withdraw from an event prior to competing, please let the athlete registration team know. You must be wearing a club or school vest & the bib numbers issued back & front on the Track & on the front only in Field events.

FIRST AID First Aid is being provided by Medway and Maidstone AC.

MEDALS Medals will be awarded to the first 3 placed athletes in each event and will be presented at the presentation area. For Field events winners they will be taken directly there after their event. For track, as soon as the result is announced please make your way to the presentation area. Athletes must collect, or arrange for someone else to, KCAA does not deliver to those who do not collect them. Trophies will again be issued this year. If you have any questions please contact trophies@kcaa.org.uk

PERSONAL IMPLEMENTS If you wish to use personal implements, which this year we recommend due to cleaning requirements of shared implements, they must be taken to the Technical Team in the equipment room, which is located near the 100m start line, at least an 90 minutes before your event (or warm up) is due to take place.

As Start Information System is in use; all athletes in sprint starts (unless exempt) all athletes must use stadium blocks, under UKA competition rules.

PHOTOGRAPHY POLICY KCAA does not require camera users to register the use their cameras as the prolific use of personal tablets & smartphones make this impractical to police. Should one of these photographs appear on a club website or in social media you need to contact them direct should you wish it removed. At some meetings we have press reporters and official championship photographers from whom you can purchase photographs of athletes in competition. Those photographers are easily identified wearing brightly coloured bibs. Also within the competition and medal presentation areas people authorized by KCAA may take photos for publicity & promotional purposes, especially for our Website or Facebook page. When entering these areas you need to be aware that it is assumed that you are giving permission for such photographs to be taken. Should a photo appear on our Website or Facebook page which you would like removed; please contact the track & field committee secretary on trackandfield@kcaa.org.uk.

QUALIFYING FOR NEXT ROUND Track results & seeding for next round will be published electronically at <https://justiming.co.uk/liveresults/2022/JustimingMeetingDirectory.html> to access them you will need to have device with mobile data. If after qualifying for a second round or final, you have need to withdraw you MUST inform the referee for that event. You will be allowed to withdraw but you will not be allowed to compete again during the course of the 2 days without very good reason.

RESULTS Field results will be given to athletes before they leave the competition area. Track results will be published electronically at <https://justiming.co.uk/liveresults/2022/JustimingMeetingDirectory.html> to access them you will need to have device with mobile data. Full results are published on the KCAA website early next week and sent to Powerof10

TEAM SELECTORS If you finish in the first 6 places please complete the form at <http://www.kcaa.org.uk/county%20teams.htm> If you do not complete an availability form the selectors will not know if you wish to be considered to represent your county. Details of the KCAA county team selection policy, travel policy & dates of Inter-county matches can be found on the County Teams page of the KCAA website at

FINALLY THESE CHAMPIONSHIPS DO NOT RUN THEMSELVES.... KCAA is an association of registered clubs within the historic county of Kent and is run entirely by volunteers; without whom athletes would not be trained & competition events would not take place. We are managed by an Executive committee & various event committees who organise and run our yearly programme of events along with our Coaches, Technical Officials & Volunteer helpers. Without more volunteers we will need to reduce what we do and please would you consider if you could help; If you think you may be interested email our Secretary on secretary@kcaa.org.uk who will be able to provide you more information.

AWARDS DINNER The Annual President Awards Dinner will again be held in November, details of which will be published on the KCAA website.

Numbers must be worn back and front in all events except jump events, and are to be retained and used each day.

If you are competing in a TRACK event you MUST report to Track Registration at least 1 hour before the scheduled start of each track event, and MUST report to the Marksman 15 minutes before the event.

For TRACK events, if insufficient athletes report for the heats the Final will be run at the heat time. Similarly if the number of heats does not warrant a second round the Final will be run at time of the second round.

Club (school) colours MUST be worn, or clothing acceptable under UKA Rule T5.

If, after qualifying for a second round or Final, you have need to withdraw, you MUST inform the referee for that event. You will be allowed to withdraw but will not be allowed to compete again during the course of the 2 days. So if you withdraw on the Saturday you cannot compete on the Sunday.

Athletes competing in FIELD events MUST report directly to that event 15 minutes before the event is due to start and MUST be alert to any announcements regarding their event

In the throws and horizontal jumps each competitor will be allowed THREE trials. Competitors as qualified under Rule T25 S2 will be allowed THREE further trials and compete in reverse ranking order determined from the first 3 rounds.

Competitors and Coaches should be aware of the rules regarding ASSISTANCE; UKA rule T6

Unsporting or improper behaviour during competition or to officials shall render the athlete liable to disqualification by the Referee from participation in all further events

All Athletes who have not competed on the Saturday and Athletes competing in track events on Sunday **MUST** report to Registration at least **ONE HOUR** before the scheduled start of their first event.

Athletes competing in **TRACK** events **MUST** report to the Marksman **15 minutes** before the event.

Athletes competing in **FIELD** events **MUST** report directly to that event **15 minutes** before the start and **MUST** be alert to any announcement regarding that event.

In the throws and horizontal jumps each competitor will be allowed THREE trials. Competitors as qualified under Rule T25 S2 will be allowed THREE further trials and compete in reverse ranking order determined from the first 3 rounds.

For **TRACK** events, if insufficient athletes report for the Heats the Final will be run at the Heat time. Similarly if the number of Heats does not warrant a second round the Final will be run at time of second round.

Club colours **MUST** be worn or clothing acceptable under UKA rule T5.

If, after reporting for an event or after qualifying for a second round or Final, you need to withdraw, you **MUST** inform the referee for that event. You will be allowed to withdraw but will not be allowed to compete again during the course of the 2 days. So if you withdraw on the Saturday you cannot compete on Sunday.
