

KENT SCHOOLS CROSS COUNTRY

20TH JANUARY 2024 DARTFORD

We carried out a course inspection this morning, and are happy to report there are no problems in holding the Championships on Saturday. Some parts of the course remain in the shade pretty well all day, but are not rutted like last year. Saturday is forecast to be warmer, but I think some parts of the course will remain quite hard, which makes for fairly easy running conditions. If you wear spikes be prepared to assess the length of the most suitable spikes.

Car Parking

As mentioned in earlier information, this is more limited this year as part of the Acacia Car Park is a builders compound related to Orchard Theatre repairs.

No Parking available at the Track. Cranford and Ingram Road area near the Track is all Resident only and regularly checked by Parking Officers.

Allow extra time in case you have to use one of the Town Centre Car Parks.

KENT SCHOOLS CROSS COUNTRY

20th JANUARY 2024 DARTFORD

A reminder that the Championships are not based at the Track.

From the Acacia Car Park, walk below this height barrier.

All Registration, Entry Fees, Results, KSAA selection etc. will be dealt with in Marquees alongside the pathway shown in the following two photos. Portaloos will also be based here.

Access to the Course is via a bridge, and is only about 100m away.
