The maximum length of spikes that may be used in all track and field events must be 6mm, with the exception of High Jump and Javelin where maximum 9mm spikes may be used for safety in wet weather conditions.

Numbers must be worn back and front in all events except jump events, and are to be retained and used each day.

If you are competing in a TRACK event you MUST report to Registration at least 1 hour before the scheduled start of each track event, and MUST report to the Marksman 15 minutes before the event.

For TRACK events, if insufficient athletes report for the heats the Final will be run at the heat time. Similarly if the number of heats does not warrant a second round the Final will be run at time of the second round.

Club (school) colours MUST be worn, or clothing acceptable under UKA Rule T5.

If, after qualifying for a second round or Final, you have need to withdraw, you MUST inform the referee for that event. You will be allowed to withdraw but will not be allowed to compete again during the course of the 2 days. So if you withdraw on the Saturday you cannot compete on the Sunday.

For the first time in the Kent County Championships the replacement rule will be implemented. If an athlete withdraws (see row above), the next highest ranked athlete from the previous round will be invited to compete in the next round occupying the lane of the withdrawing athlete

Athletes competing in FIELD events MUST report directly to that event 15 minutes before the event is due to start and MUST be alert to any announcements regarding their event

In the throws and horizontal jumps each competitor will be allowed THREE trials. Competitors as qualified under Rule T25 S2 will be allowed THREE further trials and compete in reverse ranking order determined from the first 3 rounds.

Competitors and Coaches should be aware of the rules regarding ASSISTANCE; UKA rule T6

Unsporting or improper behaviour during competition or to officials shall render the athlete liable to disqualification by the Referee from participation in all further events

A World Athletics Licence has been obtained for this meeting so athletes should ensure their footwear is on World Athletics' List of Approved Athletic Shoes for the event they are competing in. Checks will be carried out by the start team.
